3.1 Authorization of Issuance. Solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to be received by the District for the General Fund of the District during or attributable to Fiscal Year 2007-2008, and not pursuant to any common plan of financing, the County hereby authorizes, subject to the District’s compliance with Section 14 hereof, the issuance in the name and on behalf of the District of notes in an aggregate principal amount not to exceed \$950,000,000 (the “Authorized Amount”) in one or two series under Sections 53850 *et seq.* of the Act. The Notes shall all have the same maturity date. The Series B Notes shall not be sold or issued subsequent to the issuance of the Series A Notes, unless the County shall have received confirmation from Moody’s Investors Service (“Moody’s”) or Standard & Poor’s Ratings Services, A Division of the McGraw-Hill Companies (“S&P,” and together with Moody’s, the “Rating Agencies”) that the issuance of such subsequent series of Notes shall not cause a reduction or withdrawal in the ratings on any Series A Notes. The Notes shall be designated “Los Angeles Unified School District, 2007-2008 Tax and Revenue Anticipation Notes” (with such additional or other series designations as may be authorized herein).

3.2 Denominations, Maturity and Payment. The Notes shall be issuable in the denominations of \$5,000 and any integral multiples thereof. Each series of the Notes shall be dated the day of issuance but in no case later than January 10, 2008, shall mature not later than thirteen months after the date of issuance of the Series A Notes, as set forth in the Notice of Sale, and shall bear interest in accordance with Section 3.3 hereof. The Notes may be issued in one or two series as determined by the District in a total amount not to exceed the Authorized Amount. Principal of and interest on the Notes shall be paid at the principal office of the Paying Agent.

3.3 Interest Rate. Each series of the Notes shall bear interest at the Interest Rate from the initial date of such Notes to the maturity date and shall be payable on the maturity date or, in the case of a term to maturity greater than one year, shall be payable (1) on a date no later than one year from the date of issuance of such series of Notes and (2) on the maturity date. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

NOTWITHSTANDING THE FOREGOING, THE TRUE INTEREST COST WITH RESPECT TO EACH SERIES OF THE NOTES SHALL NOT EXCEED 5.00%.

3.4 (a) Mutilated, Lost, Destroyed or Stolen Notes. If any Note shall become mutilated, the County, at the expense of the owner of said Note, shall execute, and the Authenticating Agent shall authenticate and deliver, a new Note of like tenor and number in exchange and substitution for the mutilated Note, but only upon surrender to the Authenticating Agent of such mutilated Note. Every mutilated Note so surrendered to the Authenticating Agent shall be cancelled by it and delivered to, or upon the order of, the County. If any Note shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the County, the District and the Authenticating Agent and, if such evidence be satisfactory to each and an indemnity satisfactory to them shall be given, the County, at the expense of the owner, shall execute, and the Authenticating Agent shall thereupon authenticate and deliver a new Note of like tenor and number in lieu of and in substitution for the Note so lost, destroyed or stolen (or if any such Note shall have matured or shall be about to mature, instead of issuing a substitute Note, the Paying Agent may pay the same without surrender thereof). The Authenticating Agent may require payment of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this paragraph and of the expenses which may be incurred by the District, the County and the Authenticating Agent in the process. Any Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Note so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Resolution with all other Notes secured by this Resolution.

(b) Transfer of Notes. Any Note may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 3.4(d) hereof, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Note for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Authenticating Agent.

Whenever any Note shall be surrendered for transfer, the County shall execute and the Authenticating Agent shall authenticate and deliver a new Note. The Authenticating Agent shall require the owner of the Note requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer, and may in addition require the payment of a reasonable sum to cover expenses incurred by the County or the Authenticating Agent in connection with such transfer.

(c) Exchange of Notes. Notes may be exchanged at the office of the Authenticating Agent for a like aggregate principal amount of Notes or other authorized denominations of the same maturity and interest rate. The Authenticating Agent shall require the person requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange, and may in addition require the payment of a reasonable sum to cover expenses incurred by the County or the Authenticating Agent in connection with such exchange.

(d) Register. The Authenticating Agent will keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Notes, which shall at all times be open to inspection by the owner of the Note; and, upon presentation for such purpose, the

Authenticating Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Notes as hereinbefore provided.

3.5 Ownership, Cancellation of Notes. The District, the County, the Paying Agent and the Authenticating Agent may rely on the address of the owner of the Note as it appears in the register for any and all purposes. It shall be the duty of the owner of the Note to give written notice to the Authenticating Agent of any change in such address.

The District, the County, the Paying Agent and the Authenticating Agent may treat the person in whose name any Note shall be registered as the absolute owner of such Note, and payment of the principal of and interest on any such Note shall be made only to or upon the order of the registered owner thereof or its legal representative; provided, however, if interest is payable prior to the maturity date, such interest on such Note shall be payable to the person in whose name the Note is registered on the 15th day of the calendar month preceding the month in which such interest is due by wire or check mailed to such registered owner.

All Notes surrendered for payment shall be delivered to the Paying Agent and shall be promptly cancelled by it. The District may at any time deliver to the Paying Agent for cancellation any Notes previously authenticated and delivered hereunder that the District may have acquired in any manner whatsoever, and all Notes so delivered shall promptly be cancelled by the Paying Agent. No Note shall be authenticated in lieu of or in exchange for any Notes cancelled as provided herein, except as expressly permitted hereunder. All cancelled Notes held by the Paying Agent shall be disposed of in any manner determined by the Paying Agent.

Section 4. Book-Entry System. Notwithstanding anything in this Resolution or any supplemental resolution to the contrary, the Notes shall be initially issued in the form of separate fully registered Notes. Except as provided in Section 4.1 hereof, all of the Notes shall be registered in the name of the Nominee.

With respect to the Notes registered in the name of the Nominee, the County and the Paying Agent shall have no responsibility or obligation to any participant or to any person on behalf of which such a participant holds an interest in the Notes. Without limiting the immediately preceding sentence, the County and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, or any participant with respect to any ownership interest in the Notes, (ii) the delivery to any participant or any other person, other than a holder as shown in the registration books of the Authenticating Agent, of any notice with respect to the Notes, or (iii) the payment to any participant or any other person, other than a holder as shown in the registration books of the Authenticating Agent, of any amount with respect to principal of or interest on the Notes. The County and the Paying Agent may treat and consider the person in whose name the Notes are registered in the registration books of the Authenticating Agent as the holder and absolute owner of such Notes for the purpose of payment of principal of, premium, if any, and interest on such Note, for the purpose of giving notices and other matters with respect to such Notes, and for all other purposes whatsoever.

The Paying Agent shall pay all principal of and interest on the Notes only to or upon the order of the respective holders, as shown in the registration books of the Authenticating Agent or their respective attorneys, duly authorized in writing, and all such payments shall be valid and

effective to fully satisfy and discharge the obligations hereunder with respect to the payment of principal of, premium, if any, and interest on the Notes to the extent of the sum or sums so paid. No person other than a holder, as shown in the registration books of the Authenticating Agent, shall receive a Note evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Resolution and any supplemental resolution.

4.1 Transfers Outside Book-Entry System. In the event (i) DTC determines not to continue to act as securities depository for the Notes, or (ii) the Treasurer determines that DTC shall no longer so act and delivers a written certificate to DTC to that effect, then the Treasurer will discontinue the book-entry system with DTC. If the Treasurer determines to replace DTC with another qualified securities depository, the Treasurer shall prepare or direct the preparation of new, separate, fully registered Notes, registered in the name of such successor or substitute qualified securities depository or its nominee, or make such other arrangements acceptable to the County and DTC as are not inconsistent with the terms of this Resolution or any supplemental resolution. If the Treasurer fails to identify another qualified securities depository to replace DTC, then the Notes shall no longer be restricted to being registered in the registration books of the Authenticating Agent in the name of the Nominee, but shall be registered in whatever name or names holders of notes transferring or exchanging Notes shall designate in accordance with the Resolution.

4.2 Payments and Notices to the Nominee. Notwithstanding any other provision of this Resolution or any supplemental resolution to the contrary, so long as the Notes are registered in the name of the Nominee, all payments with respect to principal of, premium, if any, and interest on such Notes and all notices with respect to such Notes shall be made and given, respectively, as instructed by DTC.

4.3 Initial Depository and Nominee. The initial securities depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

Section 5. Form of Notes. The Notes shall be issued only in fully registered form, substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures.

Section 6. Use of Proceeds. Proceeds of the Notes will be deposited either in the General Fund of the District or if the District has elected that the Note proceeds be invested pursuant to Section 9 hereof, such moneys shall be held by the Fiscal Agent and invested by the Fiscal Agent as requested by the District. Said moneys shall be used and expended by the District for any purpose for which it is authorized to expend moneys from the General Fund of the District. The County shall have no responsibility for assuring the proper use of Note proceeds by the District.

Section 7. Repayment Pledge. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys that are received by the District for the General Fund of the District during or attributable to Fiscal Year 2007-2008.

As security for the payment of the principal of and interest on the Notes, the District shall set aside and deposit or cause to be set aside and deposited, on three separate dates prior to the maturity date of the Notes, from Unrestricted Revenues an aggregate amount equal to the principal amount of the Notes. The District shall pledge such amounts, plus an amount sufficient to pay any remaining interest on the Notes and any deficiency in the amount required to be deposited during any prior month, from Unrestricted Revenues received by the District in a month ending not more than two months prior to the maturity date of the Notes (such pledged amounts being hereinafter called the "Pledged Revenues"). The dates (each a "Pledge Date") and amounts required for each such deposit shall be as determined by the Chief Financial Officer of the District (the "CFO") or his designee, and shall be as set forth in the Notice of Sale.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient Unrestricted Revenues received by the District to permit the deposit into the Repayment Account (as defined below) of the full amount of Pledged Revenues to be deposited from Unrestricted Revenues in any of the months specified herein, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and the interest thereon, but only to the extent permitted by law.

Section 8. Establishment of Repayment Account. The Pledged Revenues (in cash or in investments permitted by Section 9 hereof that have a market value on such Business Day equal to the amount required to be deposited on such Business Day or whose maturity value on a maturity date no later than such Business Day is equal to the amount required to be deposited on such Business Day) shall be deposited by the Treasurer, on behalf of the District, with, and held in trust by, the Fiscal Agent, as hereinafter appointed, in a special account designated the "Los Angeles Unified School District, 2007-2008 Tax and Revenue Anticipation Note Repayment Account" (the "Repayment Account"), and shall be applied as directed in this Resolution. The obligation to pay principal of and interest on the Notes shall constitute a first lien and charge on amounts deposited in the Repayment Account and any money deposited in the Repayment Account shall be for the ratable benefit of the owners of the Notes. Until the principal of the Notes and all interest due thereon are paid in full or until provision has been made for the payment in full of the principal of and interest on the Notes, the moneys in the Repayment Account shall be applied only for the purposes for which such Repayment Account was created. The Pledged Revenues are required to be deposited in the Repayment Account in the amounts indicated in Section 7 on each Pledge Date. In the event that there have been insufficient Unrestricted Revenues received by the Treasurer on behalf of the District, by the third Business Day prior to any Pledge Date, to permit the deposit into the Repayment Account of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, then the amount of any deficiency in the Repayment Account shall be satisfied and made up from any other moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon (the "Other Pledged Moneys"), when and as such Pledged Revenues and Other Pledged Moneys are received by the Treasurer, on behalf of the District, or directly by the District. Any balance in the Repayment Account on the day after the final maturity date of the

Notes in excess of the amounts needed to pay the principal of and interest on the Notes shall be transferred to the District's General Fund.

Section 9. Investment of Note Proceeds and Repayment Account. Note proceeds may be held by the Fiscal Agent and invested by the Fiscal Agent at the request of the District in one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P and Aa3 by Moody's. No such contract or agreement related to a series of Notes shall mature after the maturity date of the Notes. Absent such request, Note proceeds will be deposited in the General Fund of the District pursuant to Section 6 hereof.

Balances in the Repayment Account shall be invested as permitted by Section 53601 of the California Government Code or as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(l) of the California Government Code; provided that any such investment shall only be made in (1) direct obligations of the United States of America, including United States Treasury notes, bonds and bills, (2) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (3) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (4) the Los Angeles County Treasurer's Pool or (5) one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P and Aa3 by Moody's. Investments of balances in the Repayment Account shall not have maturity dates later than the maturity date of the Notes.

The proceeds of investments of moneys held and invested by the Fiscal Agent pursuant hereto shall be retained or accounted for by the Fiscal Agent until the principal of all of the Notes and the unpaid interest thereon shall have been fully paid or until provision shall have been made for such payment, at which time any excess amount shall be transferred to the General Fund of the District.

Section 10. Fiscal Agent. The Paying Agent is hereby appointed Fiscal Agent for the Notes. Funds held by the Fiscal Agent pursuant hereto shall be held and invested as herein provided.

This appointment shall not preclude the Treasurer from removing the Fiscal Agent and appointing one or more successors thereto, all without notice to or the consent of the holder of any Note. Any such successor fiscal agent shall be acceptable to the District.

Section 11. Sale of the Notes. The Notes shall be sold at (i) a competitive sale and under conditions set forth in the Notice of Sale (the "Notice of Sale") relating to the Notes substantially in the form on file with the Executive Officer-Clerk of the County Board and hereby approved, or (ii) by a negotiated sale pursuant to the Note Purchase Agreement in the form on file with the Executive Officer-Clerk and hereby approved, if determined by the Chief Financial Officer (or the Interim Chief Financial Officer, if applicable) of the District (the "CFO") or the Controller

(or the Interim Controller, as applicable) of the District (the "Controller") to be in the best interest of the District.

The Treasurer, or an authorized deputy or delegate of the Treasurer, together with the Chief Financial Officer, the Controller or other authorized officer of the District, is hereby authorized and directed to accept the highest responsible bids for the Notes producing the lowest true interest cost to the District; provided, that (i) the true interest cost for any series of Notes shall not be in excess of 5.00%; (ii) the aggregate price to be received for any series of Notes shall not be less than 100% of the aggregate principal amount thereof; and (iii) the Notes shall otherwise conform to the limitations specified herein.

In the event that the CFO or the Controller determine a negotiated sale of the Notes is in the best interest of the District, the Treasurer is hereby authorized and directed on behalf of the County to execute the Note Purchase Agreement, with such changes as such officer shall deem necessary or desirable to implement the negotiated sale of the Notes consistent with the terms of this resolution. Such execution shall constitute conclusive evidence of the approval by the County of the Note Purchase Agreement in the form finally executed.

Section 12. Execution of the Notes. The Chairman of the Board of Supervisors, the Executive Officer-Clerk of the County Board and the Treasurer are hereby authorized and directed to sign the Notes by use of their manual or facsimile signatures, and the Executive Officer-Clerk of the County Board is hereby authorized to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby authorized to cause the blank spaces thereof to be filled in as may be appropriate. The Notes shall not be valid, unless and until the Authenticating Agent shall have manually authenticated such Notes.

Section 13. Validity of Proceedings. It is hereby covenanted and warranted by the County that the County, and its respective appropriate officials, have duly taken all actions necessary to be taken by them, and will take any actions required by law to be taken by them, for the levy, collection and enforcement of the taxes pledged hereunder in accordance with law and for carrying out the provisions of this Resolution.

Section 14. Tax Covenants. The District has covenanted that it will make no use of the proceeds of the Notes or any other amounts that would cause the Notes to be "arbitrage bonds" under Section 148 of the Code; and, to that end, the District has agreed to comply with all requirements of said Section 148 of the Code and the Treasury Regulations promulgated thereunder, including restrictions on the use and investment of proceeds of the Notes and certain other amounts and the rebate of a portion of the investment earnings on proceeds of the Notes and certain other amounts, if required, to the United States. The District has further covenanted to do and perform all acts and things within its power and authority necessary to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code. In furtherance of the aforementioned covenants, the District has agreed to comply with the Tax Certificate to be executed by the District on the date of issuance and delivery of the Notes (the "Tax Certificate"). The Paying Agent, by acceptance of its duties hereunder, agrees to cooperate with the District in order to comply with the Tax Certificate in such manner as shall be mutually agreed by the Paying Agent and the District. The District has covenanted that it will take no action that would cause the interest on the Notes to be included in gross income for federal

income tax purposes, nor will it refrain from taking action required to maintain the exclusion of interest on the Notes from gross income for federal income tax purposes.

Section 15. Effectiveness. This resolution shall become effective upon its adoption by the County.

The foregoing resolution was on the 13th day of November, 2007, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

The Notice of Sale contains certain information for quick reference only, is not a summary of the issue and governs only the terms of the sale of, bidding for and closing procedures with respect to the Notes. Bidders must read the entire Preliminary Official Statement to obtain information essential to the making of an informed decision to bid.

Interest Rate and Interest Payment Dates

The interest rate to be borne by the Notes will be specified by the bidder in its bid and shall not exceed twelve percent (12.00%). Notes may bear different interest rates and bidders may submit bids for Notes with different interest rates. Interest will be payable on _____, 2008 and at maturity calculated on the basis of a 360-day year of twelve 30-day months.

Maturity and Dated Date

The Notes will be dated the dated of issuance thereof, which is expected to be _____, 2007 and will mature on _____, 2008.

Redemption

The Notes are **not** subject to redemption prior to maturity.

Payment

The principal of and interest on the Notes are payable in lawful money of the United States of America upon the surrender thereof at maturity at the offices of the Paying Agent, initially the Treasurer, in Los Angeles, California.

Registration

The Notes will be issued only in fully registered book-entry form, registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, New York, New York. See the discussion of "Book-Entry System" in the Preliminary Official Statement.

Purpose

The Notes are being issued for the purpose of providing operating cash for any purpose for which the District is authorized to expend monies prior to the receipt of anticipated property tax revenues and other revenues.

Security

The principal amount of the Notes and any additional notes, together with the interest thereon, is payable from taxes, income, revenue, cash revenue, cash receipts and other moneys that are

received by the District for the General Fund of the District during or attributable to Fiscal Year 2007-2008.

As security for payment of the principal of and interest on the Notes and any additional notes, the District has pledged, pursuant to Section 53856 of the Act, taxes, income, revenue, receipts and other moneys to be received by the District as follows: an amount equal to thirty-five percent (35%) of the principal amount of the Notes and any additional notes from the Unrestricted Revenues received by the District on or before _____, 2008; an amount equal to thirty-five percent (35%) of the principal amount of the Notes and any additional notes from the Unrestricted Revenues received by the District on or before _____, 2008; and an amount equal to thirty percent (30%) of the principal amount of and all interest on the Notes and any additional notes from the Unrestricted Revenues received by the District on or before _____, 2008 (such pledged amounts being hereinafter called the "Pledged Revenues"). The District shall request the Treasurer to deposit the Pledged Revenues on or before _____, 2008, _____, 2008 and _____, 2008 (each a "Pledge Date") with the Fiscal Agent (which shall be the Paying Agent) for deposit into the Repayment Account established under the resolution of the County providing for the issuance of the Notes (the "County Resolution").

The principal of the Notes and any additional notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient Pledged Revenues received by the District to permit the deposit of the full amount of Pledged Revenues to be deposited with respect to such Pledge Date, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and any additional notes and the interest thereon, but only to the extent permitted by law. Neither the County nor the Board of Supervisors of the County has any liability to pay principal of or interest on the Notes and the Notes are payable solely from the funds of the District, as set forth in the Preliminary Official Statement.

The District has the authority to issue up to \$_____*

Such issuance must occur no later than January 10, 2008. Issuance of such additional notes will be permitted if and only if the County receives confirmation from Moody's Investors Service and Standard & Poor's Ratings Service that said issuance will not result in a reduction in or withdrawal of the ratings on the Notes.

* Preliminary, subject to change.

Paying Agent

The Treasurer has been appointed the paying agent for the payment of principal and interest and for the registration of the Notes and to hold the funds and accounts established pursuant to the County Resolution.

TERMS OF THE SALE

Submission of Bids:

All bids must be submitted only on the MuniAuction website located at www.muniauction.com. No other provider of Internet bidding services and no other means of delivery (i.e. telephone, e-mail, facsimile or physical delivery) will be accepted. The auction for such Notes will end at 9:00 a.m., Pacific Time, on _____, 2007; provided, however, if any bid becomes a leading bid within two (2) minutes prior to the end of the auction, then the auction will be automatically extended by two (2) minutes from the time such new leading bid is received by MuniAuction (the "Two-Minute Rule"). The auction end time will continue to be extended, indefinitely, until all leading bid(s) remain the leading bid(s) for at least two minutes.

To bid via the MuniAuction website, bidders must have both (1) completed the registration form on the MuniAuction website by the deadline established by MuniAuction, and (2) requested and received admission to the District's auction, as described below. Only NASD registered broker-dealer and dealer banks with DTC clearing arrangements will be eligible to bid. The use of MuniAuction shall be at the bidder's risk, and none of the District, the County, the Financial Advisor nor Sidley Austin LLP, Bond Counsel, shall be responsible for, and each bidder expressly assumes the risk of, any incomplete, inaccurate or untimely bid submitted by such bidder, including, without limitation, incomplete, inaccurate or untimely bids caused by reason of garbled transmissions, mechanical failure, slow or engaged telephone or telecommunications lines or any other cause. Neither the District nor the County is bound by any advice and determination of MuniAuction to the effect that any particular bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their submission of bids through MuniAuction are the sole responsibility of the bidders, and neither the District nor the County is responsible for any of such costs or expenses. See "Information Regarding Bids" herein.

The "Rules of MuniAuction" can be viewed on the MuniAuction website and are made a part hereof. Bidders must comply with the Rules of MuniAuction in addition to the requirements of this Notice of Sale. In the event the Rules of MuniAuction conflict with this Notice of Sale, this Notice of Sale shall control.

For purposes of the Internet bidding process, the time as displayed on the MuniAuction Auction Page shall constitute the official time. All bids shall be deemed to incorporate the provisions of this Notice of Sale.

Further information about MuniAuction, including registration requirements, may be obtained from Grant Street Group, the parent of MuniAuction, at (412) 391-5555, ext. 370 (auction support).

Information Regarding Bids

Bidders are required to submit unconditional bids specifying the rate of interest and premium, if any, at which the bidder will purchase all or any portion of the Notes. Interest shall be bid in multiples of 1/20th or 1/8th percent. No bid for less than \$5,000,000 principal amount of the Notes will be entertained, and all bids must be in multiples of \$1,000,000. The interest rate to be borne by the Notes shall not exceed twelve percent (12.00%). Notes may bear different interest rates and bidders may submit bids for Notes with different interest rates. No "all or none" bids will be accepted. Bidders shall specify (i) the principal amount of Notes to be purchased pursuant to such bid, (ii) the interest rate to be borne by the Notes, (iii) the amount of premium, if any, that they will pay, in addition to the principal amount, to purchase the Notes, and (iv) the total purchase price, which price shall not be less than the principal amount of Notes bid for. No bid to purchase the Notes at less than par will be accepted. Separate bids to purchase any part of the Notes may be contained in the same electronic bid as a convenience to the bidder. If more than one electronic bid is submitted by the same bidder for any part of the Notes, each such bid shall be considered as a separate proposal for purchase of such part and no such bid for less than \$5,000,000 principal amount of the Notes shall be entertained. Bidders may change and submit bids as many times as they wish during the auction, provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower TIC when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see whether its bid(s) are 'in the money' or 'out of the money'. All bids must be made in accordance with the requirements prescribed herein and the Rules of MuniAuction, as referenced herein. Each bid submitted through MuniAuction shall be deemed an irrevocable offer to purchase all or that portion of the Notes specified in the bid on the terms provided in this Notice of Sale, and shall be binding upon the bidder.

Award and Delivery:

Unless all bids are rejected, the Treasurer, in consultation with the CFO, will award the Notes to the qualified bidder or combination of bidders offering the lowest true interest cost ("TIC") to the District for the principal amount of Notes to be awarded considering the interest rate specified, and the premium, if any. The TIC will be the nominal annual discount rate which, when compounded semi-annually and used to discount the debt service on the Notes to _____, 2008, calculated using the interest rate specified in the bid, results in an amount equal to the principal amount of the Notes and the premium, if any, specified in the bid. The Treasurer will not award any bid with a TIC in excess of 5.00%. In awarding the Notes, the Treasurer, in consultation with the CFO, may accept a bid in a principal amount less than the principal amount bid (including a principal amount less than \$5,000,000) in order that the total amount of bids accepted equals the amount of Notes to be issued. In the event of an award by the County for a

principal amount less than the principal amount the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same TIC, the first bid submitted, as determined by reference to the time displayed on MuniAuction, shall be deemed to be the leading bid. Delivery of the Notes will be made to the purchaser through DTC on or about _____, 2007 (the "Closing"), upon payment in immediately available funds to the Treasurer.

Principal Amounts Subject to Change After Receipt of Bids:

The District reserves the right, following the receipt of bids and determination of the winning bid or bids, to change the total principal amount of the Notes awarded by up to 10% based upon the interest rates and premiums submitted by the successful bidders. The successful bidders will be notified of the modification to the principal amount, at the time of the award. A successful bidder may not withdraw its bid or change the interest rates bid or reject the Notes as a result of any changes made to the principal amount of the Notes.

Good Faith Deposit:

No good faith deposit is required to be submitted with bids.

Verification:

All bids are subject to verification and approval by the County and the District. The County and the District shall have the right to deem each final bid reported on the MuniAuction Observation Page immediately after the deadline for receipt of bids to be accurate and binding on the bidder. Information or calculations provided by MuniAuction other than the information required to be provided by the bidder in accordance with this Notice of Sale is for informational purposes only and shall not be binding on any of the bidder, the County and the District.

Expenses of the Successful Bidders:

CUSIP numbers will be applied for by the purchasers and will be printed on the Notes and the cost of service bureau assignment will be the purchasers' responsibility. Any delay, error or omission with respect thereto will not constitute cause for any purchaser to refuse to accept delivery of and pay for the Notes. In addition, the successful bidders will pay all related DTC charges and will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will separately invoice the successful bidders for Notes.

Right of Rejection; Cancellation:

The Treasurer in consultation with the CFO reserves the right in his discretion to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for receiving bids shall be of the essence. The winning bidder(s) shall have the right, at each of their option, to cancel the contract of purchase if the District shall fail to tender the Notes for delivery within 60 days from the date of sale thereof.

Prompt Award:

The Treasurer, or the designee of such officer, will take action awarding Notes or rejecting all bids not later than 26 hours after the expiration of the time herein prescribed for the receipt of bids, unless such time of award is waived by the respective successful bidders.

OTHER TERMS

Legal Opinions:

The Notes are sold with the understanding that the purchaser will be furnished with the approving opinion of Sidley Austin LLP. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Notes under California law and on the exclusion from gross income of the interest on the Notes for purposes of federal and State of California income taxes. The fees and expenses of Bond Counsel will be paid from Note proceeds.

The purchasers will receive a disclosure opinion from Hawkins Delafield & Wood LLP ("Disclosure Counsel") regarding the Official Statement.

Tax Status:

In the opinion of Bond Counsel, under existing laws, interest on the Notes is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, interest on the Notes is not includable in the gross income of the owners of the Notes for federal income tax purposes, provided that such interest may be included in the calculation for certain taxes, including the corporate alternative minimum tax. Should changes in the law cause Bond Counsel's opinion with respect to the Notes to change prior to delivery of the Notes to the purchasers, any purchaser may disaffirm and withdraw its proposal for the Notes.

Certificate Regarding Reoffering Prices:

As soon as practicable, but not later than one day prior to delivery of the Notes, the successful bidders for the Notes must submit to the District a certificate specifying for each maturity the reoffering price at which at least 10% of such Notes of such maturity were first sold (or the price at which all of the Notes awarded to the successful bidder were offered in a bona fide public offering and as of the date of award of such Notes to the successful bidder reasonably expected to be sold) to the public. Such certificate shall be in form and substance satisfactory to Bond Counsel and shall include such additional information as may be requested by Bond Counsel.

No Litigation and Non-Arbitrage:

At the Closing the District will deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Notes. The District will also deliver a Tax Certificate at the Closing covering its reasonable expectations concerning the Notes and the use of proceeds thereof.

Continuing Disclosure:

In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide notices of the occurrence of certain enumerated events, if material. A form of the Continuing Disclosure Certificate is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Right to Modify or Amend:

The County in consultation with the District reserves the right to modify or amend this Notice of Sale in any respect; provided, however, that any such modification or amendment shall be communicated to potential bidders through MuniAuction as described herein.

Official Statement:

The District will make available the Preliminary Official Statement, an electronic copy of which, along with related documents, will be furnished upon request made by telephone to _____, at _____. Such Preliminary Official Statement, together with any supplements thereto, shall be in form “deemed final” by the District for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final official statement (the “Official Statement”). Within seven business days after the date of award of the Notes, and in any event no later than one business day prior to Closing, up to 25 copies of the final Official Statement per \$50 million principal amount of Notes will be supplied to each purchaser at the expense of the District.

Closing Certificates:

The District shall deliver, at Closing, a certificate, executed by appropriate officers of the District acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the Notes are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of circumstances under which they were made not misleading.

In the event the County and the District do not accept this offer, the Good Faith Deposit shall be immediately returned to the Underwriter. If the County and the District accept this offer, the Good Faith Deposit will be retained by the County and applied to the purchase price of the Notes. In the event of the County's or the District's inability to deliver the Purchased Notes at the Closing, or if the County and the District shall be unable to satisfy the conditions precedent to the Underwriter's obligation to purchase the Purchased Notes at the Closing (unless such conditions are waived by the Underwriter), or if the Underwriter's obligation to purchase the Purchased Notes at the Closing shall be terminated for any other reason permitted herein, the Good Faith Deposit shall be returned to the Underwriter. Such payment shall constitute a full release and discharge of all claims arising out of the transactions contemplated hereby, except for the obligations of the District under Section 12. In the event that the Underwriter fails (other than for a reason permitted herein) to accept for delivery and pay the purchase price of the Purchased Notes on the Issue Date (as defined below), the Good Faith Deposit shall be retained by the District as liquidated damages for such failure and for any defaults hereunder on the Underwriter's part and shall constitute a full release and discharge of all claims by the County and the District against the Underwriter, except for any obligations of the Underwriter under Section 12.

The Notes shall be registered in the name of "Cede & Co." and delivered through The Depository Trust Company ("DTC") in New York, New York.

3. Use of Documents. The District hereby authorizes the Underwriter to use, in connection with the offer and sale of the Notes, a preliminary official statement and an official statement, in forms jointly acceptable to the District and the Underwriter, this Note Purchase Agreement, the County Resolution and all information contained herein and therein and all other documents, certificates or statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Note Purchase Agreement.

The District hereby ratifies, approves and confirms the use and distribution of the preliminary official statement of the District with respect to the Notes, dated _____, 2007 (together with the Appendices thereto, any documents incorporated therein by reference, and any supplements or amendments thereto, the "Preliminary Official Statement"), in connection with the public offering and sale of the Notes by the Underwriter. The Underwriter agrees that they will not confirm the sale of any Notes unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Official Statement.

4. Public Offering of the Purchased Notes. The Underwriter agrees to make a *bona fide* public offering of the Purchased Notes. The Underwriter reserves the right to change such public offering price or yield as they deem necessary in connection with the marketing of the Purchased Notes, and to over-allot or effect transactions that stabilize or maintain the market prices of the Purchased Notes at levels above those that might otherwise prevail in the open market and discontinue such stabilizing, if commenced, at any time.

5. Closing. At 8:00 a.m., California Time, on _____, 2007, or such other time and on such other date as shall have been mutually agreed upon by the District and the Underwriter (the "Closing"), the County will deliver to the Underwriter through the book-entry system of DTC the Purchased Notes in definitive form, duly executed, and other documents hereinafter mentioned, and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds to the order of the District.

6. Representations Warranties and Agreements of the District. The District hereby represents and warrants to and covenants with the Underwriter that:

(a) The District is a school district of the State of California (the "State") organized and operating under the laws thereof, and has all requisite power and authority to conduct its business and to execute, deliver and perform all of its obligations under this Note Purchase Agreement and the County Resolution.

(b) (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and the delivery of the Notes; (ii) the District has full legal right, power and authority to enter into this Note Purchase Agreement and to adopt the District Resolution and to perform its obligations under each

such document or instrument, and to carry out and effectuate the transactions contemplated by this Note Purchase Agreement and the County Resolution; (iii) the execution and delivery of this Note Purchase Agreement, the adoption of the District Resolution and the performance by the District of the obligations contained in the Notes, the District Resolution and this Note Purchase Agreement, have been duly authorized and such authorization will be in full force and effect at the time of the Closing; (iv) this Note Purchase Agreement has been duly executed and delivered and constitutes the valid and legally binding obligation of the District enforceable against the District in accordance with its terms except that enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws for the protection of debtors in effect, to the application of general principles of equity if equitable remedies are sought and to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against school districts in the State of California; provided that no opinion is expressed with respect to any indemnification provisions contained herein; and (v) the District has duly authorized the consummation by it of all transactions contemplated by this Note Purchase Agreement; and (vi) by all necessary official action the District has authorized and approved the Preliminary Official Statement and the Official Statement and the distribution thereof by the Underwriter.

(c) No consent, approval, authorization, license, order, filing, registration, qualification, election or referendum, of or by any person, organization, court or governmental agency or public body whatsoever is required for the consummation of the transactions contemplated hereby, except for such actions as have been taken or as may be necessary to be taken to qualify the Notes for offer and sale under the so-called "Blue Sky" or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may designate.

(d) All Notes will be issued only under and within the limits of the Act, and, as such, are general obligations of the District, but payable only out of certain taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to fiscal year and legally available for the payment thereof (the "Revenues"). Under the County Resolution, certain moneys are pledged to payment of the Notes and any additional Notes authorized and issued pursuant to the County Resolution (the "Pledged Revenues") and such pledge constitutes a first lien or charge against the Pledged Revenues.

(e) The issuance of the Notes, the execution, delivery and performance of this Note Purchase Agreement, the District Resolution and the Notes and the approval of the Official Statement and compliance with the provisions hereof and thereof do not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the District under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument.

(f) To the best knowledge of the District as of the time of acceptance hereof, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before any court, government agency or public body, pending or threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices of the District or the entitlement of the officials of the District to such offices; (ii) contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or any amendments or supplements thereto; (iii) seeking to restrain, prohibit or enjoin the sale, issuance or delivery of any of the Notes, the application of the proceeds of the sale of the Notes or the collection of revenues or assets of the District pledged or to be pledged or available to pay the principal of and interest on the Notes, or the pledge thereof, or in any way contesting the powers of the District or its authority with respect to the Notes, the County Resolution or this Note Purchase Agreement or in any way contesting or affecting the validity or enforceability of the Notes or (iv) in which a final adverse decision could (a) materially adversely affect the consummation of the transactions contemplated by this Note Purchase Agreement, (b) declare this Note Purchase Agreement to be invalid or unenforceable in whole or in material part, (c) in which a final adverse decision could materially adversely affect the operations of the District or (d) adversely affect the exemption from gross income of the interest paid on the Notes for purposes of applicable federal and State income taxation.

(g) The audited balance sheet of the District as of June 30, 2006, and the related statements of revenues, expenditures and changes in financial position for the fiscal year ended on such date, as set forth in the Official Statement, are true, complete and correct and fairly present the financial condition of the District as of such date and the results of its operations for such fiscal year. There has been no material adverse change in the financial condition of the District since June 30, 2006, except as described in the Official Statement.

(h) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) As of the date thereof, and at all times subsequent thereto up to and including the Closing, the information relating to the District contained in the Official Statement (including all of its appendices and attachments) as amended or supplemented, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended) at all times subsequent thereto up to and including the date of the Closing, and the portions of the Official Statement so supplemented or amended (including any financial and statistical data contained therein) does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If between the date of the Official Statement and the Closing any event shall occur or any pre-existing fact or condition shall become known which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make

the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriter thereof, and if in the reasonable opinion of the Underwriter, such event, fact or condition requires the preparation and publication of a supplement or amendment to the Official Statement, the District will at its expense supplement or amend the Official Statement in a form and in a manner approved by the Underwriter, which approval shall not be unreasonably withheld.

(j) The District undertakes that, for a period beginning with the day on which the Notes are delivered to the Underwriter and ending on the earlier of the ninetieth (90th) day following the end of the underwriting period, as defined in Rule 15c2-12(f)(2) under the Securities Exchange Act of 1934, as amended, or the day when the Official Statement is available to any person from a nationally recognized municipal securities information repository, it will (i) apprise the Underwriter of all material developments, if any, occurring with respect to the District and (ii) if requested by the Underwriter, prepare a supplement to the Official Statement in respect of any such material event; provided, however, that the out-of-pocket costs and expenses, including legal fees and expenses, associated with providing any such supplement, will be borne by the Underwriter. Unless otherwise notified in writing by the Underwriter, the District may assume that the end of the underwriting period occurs on the date the District delivers the Notes to the Underwriter.

(k) Between the date hereof and the Closing, without the prior written consent of the Underwriter, the District will not have issued and will not have requested the County to issue, any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(l) Other than as disclosed in the Official Statement, the District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose non-arbitrage certificates may not be relied upon. The District covenants that it will take any and all action and will cause any and all action to be taken in order to ensure compliance with the provisions contained in the tax and non-arbitrage certificate described in Section 9(e)(vi) hereof.

(m) To the best knowledge of the District, it has not been, is not presently and, as a result of the sale and delivery of the Notes, will not be in violation of any debt limitation, appropriation limitation or any other provision of the California Constitution that would materially adversely affect the District's obligations under this Note Purchase Agreement.

(n) Any certificates signed by any official of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter as to the statement made therein but not of the person signing the same.

7. Representations Warranties and Agreements of the County. The County hereby represents, warrants and covenants to the Underwriter that:

(a) The County is a political subdivision of the State validly existing under the Constitution and laws of the State, with the right and power to (i) execute, deliver and perform its obligations under this Note Purchase Agreement and the County Resolution and (ii) execute and deliver the Notes.

(b) (i) At or prior to the Closing, the County will have taken all action required to be taken by it to authorize the execution and delivery and the performance of its obligations under the County Resolution; (ii) the County has, and at the date of the Closing will continue to have, full legal right, power and authority to enter into this Note Purchase Agreement; (iii) at the date of the Closing, the County will have full legal right, power and authority to execute and deliver the Notes to the Underwriter and the County will have full legal right, power and authority to perform its obligations as provided in the County Resolution and this Note Purchase Agreement; (iv) at or prior to the Closing, the execution and delivery of, and the performance by the County of its obligations contained in, this Note Purchase Agreement shall have been duly authorized; (v) the County Resolution shall not have been modified, amended, rescinded or revoked and shall be in full force and effect at and as of the Closing (except for amendments, if any, adopted with the consent of the Underwriter); and (vi) this Note Purchase Agreement has been duly executed and delivered and constitutes a valid and legally binding obligation of the County; and (vii) the County has duly authorized the consummation by it of all transactions relating to the County and contemplated by this Note Purchase Agreement.

(c) The County agrees that the County will not issue any additional notes for the District secured by a pledge of the same revenues as are pledged to pay the Notes except as authorized by the County Resolution.

(d) The execution and delivery of the Notes, the execution, delivery and performance of this Note Purchase Agreement, the performance of the County's obligations under the County Resolution and compliance with the provisions hereof and thereof by the County, as appropriate, do not and will not, in any material respect, conflict with or constitute on the part of the County a breach of, or a default under, the Constitution of the State, any existing law, charter, ordinance, regulation, court decree or order, resolution or any agreement, indenture, mortgage, lease or other instrument, to which the County is subject or by which it is bound.

(e) All authorizations, consents or approvals of, or filings or registrations, if any, with, any governmental authority or court necessary for the valid execution and delivery by the County of the Notes will have been duly obtained or made prior to the execution and delivery of the Notes (and disclosed to the Underwriter); provided, however, that no representation is made by the County as to compliance with federal or state Blue Sky or similar securities laws of any state in connection with the offering, sale or issuance of the Notes. As used herein, the term "governmental authority" refers to any legislative body or governmental official, department, commission, board, bureau, agency, instrumentality, body or public benefit corporation.

(f) To the best knowledge of the County as of the time of acceptance hereof, no action, suit, proceeding or investigation is pending or threatened against the County in

any court or before any governmental authority seeking to restrain or enjoin the execution or delivery of any of the Notes or in any way contesting or affecting the validity of the County Resolution, the Notes, this Note Purchase Agreement, or the receipt or application of the revenues pledged to pay the Notes or the payment of principal and interest with respect to the Notes, or contesting the powers of the County to execute and deliver the Notes.

that: 8. Covenants of the District. The District covenants and agrees with the Underwriter

(a) The District will punctually pay or cause to be paid the principal of and interest on the Notes in strict conformity with the terms of the County Resolution and the Notes and it will faithfully observe and perform all of the conditions, covenants and requirements of the Notes and the County Resolution. The District will cause the Pledged Revenues to be deposited in the Los Angeles Unified School District, Tax and Revenue Anticipation Note Repayment Account (as defined in the County Resolution) by the dates and in the amounts contemplated by the County Resolution.

(b) With the exception of the Notes and any additional notes authorized under the County Resolution, the District will not incur any indebtedness for money borrowed that may or must be repaid from the Revenues except to the extent that such other indebtedness will not be secured by a pledge of the Pledged Revenues or Other Pledged Moneys (as defined in the County Resolution) that ranks prior to or on a parity with the pledge thereof created by Section 7 of the County Resolution.

(c) The District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order (i) to qualify the Notes for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may designate and (ii) to determine the eligibility of the Notes for investment under the laws of such states and other jurisdictions, and will, if requested by the Underwriter, use their best efforts to continue such qualifications in effect so long as required for distribution of the Notes; provided that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not presently so subject.

(d) The District will apply the proceeds from the sale of the Notes for the purposes specified in the County Resolution.

(e) The District will not cause modification or amendment of the County Resolution without the prior consent of the Underwriter.

9. Conditions to Obligations of Underwriter at Closing. The Underwriter has entered into this Note Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the County and the District of their obligations hereunder, as of the date hereof and as of the Closing. The obligation of the

Underwriter to purchase the Notes at the Closing is and shall be subject to the following further conditions, any of which may be waived by the Underwriter in writing:

(a) The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing and otherwise pursuant hereto shall be true, complete and correct in all material respects at and as of the Closing;

(b) At and as of the Closing (i) the Official Statement, this Note Purchase Agreement, the District Resolution and the County Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter; (ii) all actions under the Act which, in the opinion of Sidley Austin LLP ("Bond Counsel"), shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect and (iii) the County and the District shall perform or have performed all of their obligations required under or specified in the County Resolution and the District Resolution, respectively, or this Note Purchase Agreement to be performed at or prior to the Closing;

(c) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government authority or public body, pending or threatened against the District which has any of the effects described in paragraph (f) of Section 6 hereof or contesting in any way the completeness or accuracy of the Official Statement;

(e) At or prior to the Closing, the Underwriter shall have received three copies of the following documents, in each case dated at and as of the Closing and satisfactory in form and substance to the Underwriter:

contentions of all plaintiffs therein are without merit); (iv) the Official Statement and the Notes have been duly executed and delivered; (v) the execution and delivery of the Notes and the approval of the Official Statement and compliance with the provisions on the District's part contained herein and therein will not result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the District under the terms of any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument, except as set forth in the District Resolution and the County Resolution and (vi) such official has reviewed the Official Statement and on such basis certifies that it does not contain any untrue statements of a material fact and does not omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(C) to the best knowledge of such counsel, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or threatened against the District (a) affecting the existence of the District or the titles of its officers to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Note Purchase Agreement; (c) in any way contesting or affecting the validity or enforceability of the Notes, the Note Purchase Agreement or the District Resolution; or (d) contesting the powers of the District or its authority to enter into, adopt or perform its obligations under any of the foregoing, including, but not limited to, the consummation of the transactions contemplated in the Official Statement, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or any amendment or supplement thereto; and

(D) the execution and delivery of the Notes and the approval of the Official Statement and compliance with the provisions thereof and hereof, under the circumstances contemplated thereby and hereby, do not and will not in any respect conflict with or constitute on the part of the District a breach of or default under any agreement or other instrument to which the District is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the District is subject;

(x) An opinion of the counsel to the County, dated the date of Closing and addressed to the Underwriter, in form and substance satisfactory to the Underwriter, to the effect that:

(C) to the best knowledge of such counsel, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for the issuance and sale of the Notes to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Note Purchase Agreement

(D) the execution and delivery of the Note Purchase Agreement, the issuance of the Notes and compliance with the provisions thereof and hereof, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under (i) any agreement or other instrument to which the County is a party or by which it is bound, of a nature that could adversely impact the County's ability to perform its obligations or constitute a default hereunder or (ii) any existing law, regulation, court order or consent decree to which the County is subject;

(E) the Note Purchase Agreement has been duly authorized, executed and delivered by the County and the Notes have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Note Purchase Agreement will constitute a legal, valid and binding agreement of the County enforceable against the County in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles, and by limitations on remedies imposed in actions against public entities in the State.

(xi) An opinion of Hawkins, Delafield & Wood LLP, as Disclosure Counsel, dated the date of closing and addressed to the District and the Underwriter, to the effect that: without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement and based upon the information made available to them in the course of their participation in the preparation of the Official Statement as Disclosure Counsel, no fact has come to their attention which would cause them to believe that the Official Statement (excluding therefrom the information relating to DTC and the book-entry system, and the financial statements and the statistical data included in the Official Statement, and the appendices thereto, as to which no opinion need be expressed), as of the date thereof and the Closing Date, contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(xii) Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriter or Bond Counsel may reasonably request to evidence compliance by the District with legal requirements, the truth and accuracy, at and as of the Closing, of the representations, warranties and agreements of the District herein contained and the statements contained in the Official Statement, and the due performance and satisfaction by the District at or prior to such time of all agreements then to be performed and conditions then to be satisfied by the District, provided that Bond Counsel shall not be required to render an opinion as to the truth and accuracy of the representations, warranties and agreements of the District contained herein or of the statements contained in the Official Statement except as set forth in subparagraph (e)(ii) of this Section.

10. Termination of Obligations of Underwriter. If the District or the County shall be unable to satisfy the conditions to the obligations of the Underwriter set forth in Section 9, this Note Purchase Agreement may be terminated by the Underwriter by notice to the District and the County at, or at any time prior to, the Closing. Notwithstanding any provision herein to the contrary, the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter in writing in their sole discretion.

The Underwriter shall also have the right to terminate, in their sole discretion, after consultation with the District and the County, their obligations under this Note Purchase Agreement, by notice to the District and the County at, or any time prior to, the Closing, if between the date hereof and the Closing: (i) any event occurs or information becomes known, which, in the reasonable professional judgment of the Underwriter, makes untrue any statement of a material fact set forth in the Official Statement or results in an omission to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they are made, not misleading; (ii) the market for the Notes or the market price for the Notes shall have been materially and adversely affected, in the reasonable professional judgment of the Underwriter, by (a) legislation enacted by the Congress of the United States, or passed by either House of Congress or favorably reported for passage to either House of Congress by any Committee of such House to which such legislation has been referred for consideration, or proposed in any form or forum by a member of either House of Congress, or by the legislature of states or the State or by the United States Tax Court, or a ruling, order, or regulation (final, temporary or proposed) made by the Treasury Department of the United States or the Internal Revenue Service or other federal or State court or other authority, that would have the effect of changing, directly or indirectly, the federal income tax consequences or State income tax consequences of interest on obligations of the general character of the Notes in the hands of the holders thereof, or (b) any new outbreak of hostilities or other national calamity or crisis on the financial markets of the United States, or (c) a general suspension of trading on the New York Stock Exchange, or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on the New York Stock Exchange, whether by virtue of a determination by that Exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction or (d) a general banking moratorium declared by either federal or State or New York authorities having jurisdiction or (iii) additional material restrictions not in force or being enforced as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities

exchange that, in the reasonable professional judgment of the Underwriter, materially and adversely affect the market price for the Notes.

11. Conditions to Obligations of the District. The performance by the County and the District of their obligations under this Note Purchase Agreement with respect to issuance, sale and delivery of the Notes to the Underwriter is conditioned upon (i) the performance by the Underwriter of their obligations hereunder and (ii) receipt by the District, the County and the Underwriter of opinions and certificates being delivered at or prior to the Closing by persons and entities other than the District.

12. Expenses.

(a) Unless the obligations of the Underwriter under this Note Purchase Agreement are terminated by the Underwriter at or prior to the Closing for any reason permitted by this Note Purchase Agreement, the Underwriter shall pay all of their own expenses (including that of their own counsel and any legal fees relating to qualification of the Purchased Notes under any state Blue Sky laws) incident to the purchase and resale of the Purchased Notes and shall further pay the following expenses: (i) DTC costs and fees; (ii) the fees payable to the California Debt and Investment Advisory Commission, (iii) Dalnet/Dalcomp fees; and (iv) CUSIP Bureau charges.

(c) The District shall pay all legal expenses of the Underwriter incurred by reason of any litigation between the Underwriter and the District regarding this Note Purchase Agreement in which there is an adverse legal determination against the District and the Underwriter shall pay all legal expenses of the District incurred by reason of any litigation between the Underwriter and the District in which there is an adverse legal determination against the Underwriter.

13. Notices. Any notice or other communication to be given under this Note Purchase Agreement (other than the acceptance hereof as specified in the first paragraph hereof) shall be given by telephone or facsimile, confirmed in writing, or by delivering the same in writing, if to the County, to: Treasurer and Tax Collector of Los Angeles County, 437 Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, CA 90012, telephone: (213) 974-8359, facsimile (213) 625-2249; if to the District, to Chief Financial Officer, Los Angeles Unified School District, 333 South Beaudry Avenue, 26th Floor, Los Angeles, CA 90071, telephone (213) 241-7888, facsimile (213) 241-6813; and if to the Underwriter, to: _____, or at such other address as shall be designated by the District or Underwriter, as applicable, in a written notice to each of the other parties.

14. Parties in Interest: Survival of Representations and Warranties. This Note Purchase Agreement when accepted by the County and the District in writing as heretofore specified shall constitute the entire agreement among the County, the District and the Underwriter (including their respective successors and assigns). No other person shall acquire or

have any right hereunder or by virtue hereof. All of the representations and warranties of the County and the District in this Note Purchase Agreement shall remain operative and in full force and effect regardless of: (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, (b) delivery of any payment by the Underwriter for the Notes hereunder and (c) any termination of this Note Purchase Agreement.

15. Execution in Counterparts. This Note Purchase Agreement may be executed in counterparts, each of which shall be regarded as an original and all of which shall constitute one and the same document.

BOARD OF EDUCATION REPORT NO. 126-07/08

Accounting and Disbursements Division
for presentation to the Board of Education on October 23, 2007

SUBJECT: 2007-08 TAX AND REVENUE ANTICIPATION NOTES

A. PROPOSAL

It is proposed that the Board of Education:

- 1) Approve the attached resolution (Attachment A) authorizing the preparation and sale of not to exceed \$950 million of 2007-2008 Tax and Revenue Anticipation Notes, Series A (the "TRANs") in one or more series to fund temporary cash flow deficits in the General Fund and costs of issuance and direct certain actions in connection therewith;
- 2) Authorize the sale of the TRANs via competitive sale and direct the Interim Chief Financial Officer and other Officers of the District to assemble the financing team for the upcoming transaction to be comprised of Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, Financial Advisor; Sidley Austin LLP, as Bond Counsel; Hawkins, Delafield & Wood LLP, as Disclosure Counsel; and the County Treasurer-Tax Collector as Fiscal and Paying Agent; and
- 3) Authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated TRANs receipts.

B. BACKGROUND

Historically, the District has issued Tax and Revenue Anticipation Notes to meet General Fund cash requirements during periods in a fiscal year when receipt of anticipated revenues lags behind expenditures. Each year, the District's Controller develops a cash flow projection for the District General Fund, showing the expected levels of expenditures and revenues for each month. Typically, General Fund expenditures exceed revenues by the end of the first half of each fiscal year, as the District incurs expenses more rapidly than it receives revenues that are anticipated during the course of the year. This cash flow shortfall typically reaches its peak prior to the due date for the first installment of property taxes in early December.

TRANs, which are a short-term debt instrument, allow the District to have sufficient cash on hand to pay General Fund expenses prior to the receipt of anticipated revenues. For Fiscal Year 2007-08, the District will seek to issue TRANs in an amount not to exceed \$950,000,000, based on the cash flow analysis prepared by the

Controller's Office. The notes will mature not more than 13 months after the date of issue. The Federal Tax Code allows the District to invest the proceeds from TRANs (and subsequent pledged Repayment Fund). Such amounts held in the Repayment Fund shall be invested as permitted by Section 53601 of the California Government Code as defined in Section 4(D) and Section 11 of the attached Resolution. This investment income will help the District to offset the interest cost of the TRANs.

The Board of Education must approve the attached Resolution (Attachment A). All other legal documents required to be approved by the Board of Education are presented in the Board agenda packets and are on file with the Executive Officer of the Board.

C. POLICY IMPLICATIONS

This action has been reviewed and is in compliance with the District's Debt Policy.

D. BUDGET IMPLICATIONS

Interest earnings on TRANs proceeds and the Repayment Fund are expected to exceed estimated annual debt service payment and costs of issuance for the TRANs. It is not possible to estimate the budget impact at this time. An update will be provided after the sale of the TRANs.

E. DESEGREGATION IMPACT

This report, which relates to financing the project, has been reviewed and does not require a Desegregation Impact Statement.

F. RECOMMENDATIONS

It is recommended that the Board of Education:

- 1) Approve the attached resolution (Attachment A) authorizing the preparation and sale of not to exceed \$950 million of 2007-2008 Tax and Revenue Anticipation Notes, Series A (the "TRANs") in one or more series to fund temporary cash flow deficits in the General Fund and costs of issuance and direct certain actions in connection therewith;
- 2) Authorize the sale of the TRANs via competitive sale and direct the Interim Chief Financial Officer and other Officers of the District to assemble the financing team for the upcoming transaction to be comprised of Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, Financial Advisor; Sidley Austin LLP, as Bond Counsel; Hawkins, Delafield & Wood LLP, as

Disclosure Counsel; and the County Treasurer-Tax Collector as Fiscal and
Paying Agent; and

- 3) Authorize the Budget Services and Financial Planning Division to make the
necessary budget adjustments to reflect the anticipated TRANs receipts.

Schools

WHEREAS, such Notes shall not be issued later than January 10, 2008; and

WHEREAS, the District Board has deemed it necessary and desirable to authorize the sale of the Notes by a competitive sale pursuant to a Notice of Sale, with such Notes to be sold to the winning bidders pursuant to a Certificate of Award (together, the "Notice of Sale"), or by a negotiated sale, if determined by the Chief Financial Officer (or the Interim Chief Financial Officer, if applicable) or the Controller (or the Interim Controller, as applicable) to be in the best

WHEREAS, the District Board has found and determined that said \$950,000,000 maximum aggregate principal amount of Notes to be issued by the County in Fiscal Year 2007-2008, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon, as required by Section 53858 of the Act; and

WHEREAS, each series of Notes will not be outstanding after a period ending thirteen months after the respective date on which such series of Notes is issued and will not be issued in an aggregate amount greater than the maximum anticipated cumulative cash flow deficit to be financed by the anticipated tax or other revenue sources for the period for which such taxes or other revenues are anticipated and during which such notes are outstanding, all as provided in the United States Treasury Regulations promulgated under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and related Revenue Rulings;

NOW, THEREFORE, the District Board hereby resolves as follows:

Section 1. Authorization of Issuance of Notes; Terms Thereof; Paying Agent. The District Board hereby requests the County Board to issue in the name of the District, an amount not to exceed \$950,000,000 aggregate principal amount of Notes in one or more series under Sections 53850 et seq. of the Act, designated "Los Angeles Unified School District, 2007-2008 Tax and Revenue Anticipation Notes" (with such additional or other series designations as may

be authorized herein) (the "Notes"); to be numbered from 1 (and consecutively upward in order of issuance if more than one Note is registered); to be in denominations of \$5,000, or integral multiples thereof, as determined by the Chief Financial Officer (or the Interim Chief Financial Officer, as applicable) of the District (the "CFO") after conferring with the Treasurer and Tax Collector of the County (the "Treasurer") based on the winning bid(s) for such Notes; to be dated the date of delivery thereof, but in no case later than January 10, 2008; to mature (without option of prior redemption) not later than 396 days from said date of delivery (or 390 days computed on a 30-day month/360-day year basis), or if such date is not a day on which banks in the States of New York or California are open for business, on the last business day prior to such date; and to bear interest, payable at maturity (or in the case of a term to maturity greater than one year, (i) on a date no later than one year from the date of issuance of each respective series of Notes by check or wire mailed to the registered owners thereof and (ii) on the date of maturity (as described below)) at a single or multiple rates of interest as shall be determined at the time of sale of a series of Notes, but not in excess of the legal maximum interest rate of 12.00% per annum per series and not in excess of a true interest cost of 5.00% per series and computed on a 30-day month/360 day year basis. The Notes may be issued in one or more series as determined by the CFO or his designee, provided that subsequent series of the Notes shall not be issued if such issuance shall cause a reduction in the ratings from Moody's or S&P on any outstanding series of the Notes and the maturity date for such series shall not be earlier than that of any previously issued series. The principal of the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the principal office of the Treasurer which is hereby designated to be the paying agent on the Notes (in such capacity the "Paying Agent") or such other paying agent as the County and District may designate. Interest shall be payable upon surrender as described in the preceding sentence except as otherwise provided in this Section 1. The District Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable.

Section 2. Form of Notes. The Notes shall be issued in fully registered form, without coupons, and shall be substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures. The Notes shall be numbered from 1 consecutively upward, shall be in the denomination of \$5,000 each or any integral multiple thereof.

Section 3. Deposit of Note Proceeds. Proceeds of the Notes will be deposited either in the General Fund of the District or if the CFO has elected that the Note proceeds be invested pursuant to Section 11 hereof, such moneys shall be held by the Paying Agent, in its capacity as fiscal agent (the "Fiscal Agent"), and invested by the Fiscal Agent, as directed by the District. Said moneys shall be used and expended by the District for any purpose for which it is authorized to expend moneys from the General Fund of the District.

Section 4. Payment of Notes.

(A) Source of Payment. The aggregate principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during or attributable to Fiscal Year 2007-2008 and which are available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues, as defined below, the Notes shall be

paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District shall set aside and deposit an aggregate amount equal to the principal amount of the Notes from unrestricted revenues at the end of each of three months prior to the maturity date of the Notes. The District hereby pledges such amounts, plus an amount sufficient to pay any remaining interest on the Notes and any deficiency in the amount required to be deposited during any prior month, from unrestricted revenues received by the District in a month ending not more than two months prior to the maturity date of the Notes (such pledged amounts being hereinafter called the "Pledged Revenues"). The dates (each a "Pledge Date") and amounts required for each such deposit shall be as determined by the CFO or his designee, and shall be as set forth in the Notice of Sale. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other moneys of the District as provided in Section 53856 of the Act, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient unrestricted revenues received by the District to permit the deposit into the Repayment Account (as hereinafter defined) of the full amount of Pledged Revenues to be deposited from unrestricted revenues in any of the months specified hereinabove, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for the repayment of the Notes and interest thereon.

(C) Covenant Regarding Additional Short-term Borrowing. The District hereby covenants and warrants that it will not request the Treasurer to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District during the 2007-2008 Fiscal Year pursuant to the authority of Article XVI, Section 6 of the Constitution of the State of California or any other legal authority.

(D) Deposit of Pledged Revenues in Repayment Account. The District shall request the Treasurer to deposit on each Pledge Date with the Paying Agent the Pledged Revenues in cash or in investment securities of the type the District is permitted to invest in under applicable California law (or as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(1) of the Government Code of the State of California) that have a market value or a maturity value on a maturity date no later than the respective maturity date of each series of the Notes equal to the amount required to be deposited on such date. The District hereby agrees that if there have been insufficient unrestricted revenues received by the Treasurer on behalf of the District, by the third business day prior to any Pledge Date, to permit the deposit into the Repayment Account (defined below) of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, then the amount of any deficiency in the Repayment Account shall be satisfied and made up, but only to the extent permitted by law, from any other moneys of the District available for the payment of the principal of the Notes and the interest thereon (the "Other Pledged Moneys"), when and as

such Pledged Revenues and Other Pledged Moneys are received by the Treasurer, on behalf of the District, or directly by the District. The Pledged Revenues shall be held by the Paying Agent in a special account designated as the "Los Angeles Unified School District 2007-2008 Tax and Revenue Anticipation Notes Repayment Account" (the "Repayment Account") and applied as provided in this Resolution. Any moneys placed in the Repayment Account shall be for the benefit of the holders of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at the respective maturity date for each series of Notes with interest to such maturity date, the moneys in the Repayment Account shall be applied only for the purposes for which the Repayment Account is created.

(E) Disbursement and Investment of Moneys in Repayment Account. From the date this Resolution takes effect, all Pledged Revenues shall be deposited in the Repayment Account. After such date as the amount of Pledged Revenues deposited in the Repayment Account shall be sufficient to pay in full the principal and interest on the Notes when due, any moneys in excess of such amount remaining in or accruing to the Repayment Account shall be transferred to the general fund of the District upon the request of the District. On each respective interest payment date and maturity date of each respective series of Notes, the moneys in the Repayment Account shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Account, to the greatest extent possible, shall be invested at the request of the District in investment securities by the Fiscal Agent, (i) as permitted by applicable California law, as it is now in effect and as it may be amended, modified or supplemented from time to time or (ii) as determined by the District as it deems appropriate, which authority is granted herein in compliance with Section 53601(1) of the Act; provided that no such investments (with the exception of the County Treasurer's Pool) on behalf of each respective series of Note shall have a maturity date later than the maturity date of the respective series of Note; provided further that any such investment shall only be made in (1) direct obligations of the United States of America, including United States Treasury notes, bonds and bills, (2) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America, (3) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America, (4) the Los Angeles County Treasurer's Pool, and (5) as provided in Section 11 hereof.

Section 5. Execution of Notes. The District hereby requests the Mayor of the Board of Supervisors, the Executive Officer-Clerk of the County Board and the Treasurer to sign the Notes by use of their manual or facsimile signatures, and the Executive Officer-Clerk of the County Board is hereby requested to affix the seal of the County thereto by facsimile impression thereof, and said officers are hereby requested to cause the blank spaces thereof to be filled in as may be appropriate. The Notes shall not be valid unless and until the authenticating agent selected by the District and the Treasurer shall have manually authenticated such Notes.

Section 6. Sale of Notes. The distribution of the Official Statement, the Notice of Sale and the Notice of Intention, or the Note Purchase Agreement, as applicable, are approved in connection with the offering and sale of the Notes. The actions of the Financial Advisor (as hereinafter defined), on behalf of the District, in distributing the Official Statement and the Notice of Sale, or the Note Purchase Agreement, as applicable, to such municipal bond broker-

dealers, to such banking institutions and to such other persons as may be interested in purchasing the Notes therein offered for sale, are hereby approved. The Notes shall be sold at a competitive sale and under conditions set forth in the Notice of Sale substantially in the form on file with the Executive Officer and hereby approved, or by a negotiated sale pursuant to the Note Purchase Agreement in the form on file with the Executive Officer and hereby approved, if determined by the Chief Financial Officer (or the Interim Chief Financial Officer, if applicable) or the Controller (or the Interim Controller, as applicable) (the "Controller") to be in the best interest of the District.

The CFO, the Controller, or any other officer authorized by the CFO or Controller (an "Authorized Officer" or "Authorized Officers") is hereby authorized and directed on behalf of the District to cause the sale of the Notes through a competitive sale, and to execute the Notice of Sale, with such changes as such Authorized Officer shall deem necessary or desirable to implement the sale of the Notes consistent with the terms of this resolution. Such execution shall constitute conclusive evidence of the approval by the District of the Notice of Sale in the form finally executed. The Treasurer or any authorized deputy or delegate of the Treasurer, in consultation with an Authorized Officer, is hereby directed to accept the highest responsible bids for the Notes producing the lowest true interest cost to the District; provided, that (i) the true interest cost for any series of Notes shall not be in excess of 5.00% per series; (ii) the aggregate price to be received for any series of Notes shall not be less than 100% of the aggregate principal amount thereof; and (iii) the Notes shall otherwise conform to the limitations specified herein. In the event two or more bids setting forth identical true interest costs are received, the first bid submitted, as determined by reference to the time displayed on the electronic bidding site, shall be deemed to be the winning bid. The CFO may, in his discretion, reject any and all bids and waive any irregularity or informality in any bid. The Treasurer, in consultation with the CFO, shall award the Notes or reject all bids not later than 26 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder(s). The County Board is hereby requested to cause the Notice of Sale to be approved on behalf of the County, subject to such changes or revisions therein as may be acceptable to the District and to the County Board.

In the event that the CFO or the Controller determine a negotiated sale of the Notes is in the best interest of the District, an Authorized Officer is hereby authorized and directed on behalf of the District to execute the Note Purchase Agreement, with such changes as such Authorized Officer shall deem necessary or desirable to implement the negotiated sale of the Notes consistent with the terms of this resolution. Such execution shall constitute conclusive evidence of the approval by the District of the Note Purchase Agreement in the form finally executed.

Section 7. Authorization of Preliminary Official Statement and Official Statement. The form of preliminary official statement (the "Preliminary Official Statement") relating to the Notes on file with the Executive Officer of the Board of Education is hereby deemed approved. Tamalpais Advisors, Inc. - Kelling, Northcross & Nobriga, A Joint Venture, the Financial Advisor to the District in connection with the Notes (the "Financial Advisor") is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in purchasing such Notes. Each Authorized Officer, acting singly, is hereby authorized to certify on behalf of the District, that the Preliminary Official Statement was deemed final as of its date, within the meaning of Rule 15c2-12 ("Rule 15c2-12") promulgated

under the Securities Exchange Act of 1934, as amended (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). The Official Statement in substantially said form (the "Official Statement"), with such changes as each Authorized Officer, acting singly, may approve (including all information previously permitted to have been omitted by Rule 15c2-12), which approval shall be conclusively evidenced by execution by such Authorized Officer of the Official Statement and delivery thereof to the underwriters of the Notes within 7 business days of the sale of the Notes, is hereby approved.

Section 8. Authorization of Continuing Disclosure Certificate. The CFO is hereby authorized to execute the Continuing Disclosure Certificate to be used in connection with the offering and sale of each series of the Notes. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered an event of default; however, any holder or beneficial owner of the Notes may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 9. Delivery of Notes. The proper officers of the County are hereby requested to deliver the Notes to the purchasers of the Notes. All actions heretofore taken by the officers and agents of the District Board with respect to the Notes are hereby approved, confirmed and ratified, and the officers of the District Board are hereby authorized and directed to do any and all things and take any and all actions which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this Resolution and resolutions hereafter adopted by the County Board.

Section 10. Blanket Issuer Letter of Representations. The Depository Trust Company ("DTC") is hereby appointed depository for the Notes. DTC shall perform such functions according to the Blanket Issuer Letter of Representations on file with the Paying Agent. In the written acceptance by DTC of the Blanket Issuer Letter of Representations, DTC has agreed to take all actions necessary for all representations in the Blanket Issuer Letter of Representations with respect to DTC at all times to be complied with. In addition to the execution and delivery of the Blanket Issuer Letter of Representations, the District shall take any other actions, not inconsistent with this Resolution or any supplemental resolution, to qualify the Notes for the DTC book-entry system.

Section 11. Authorization of Investment Agreements and Guaranteed Investment Contracts. Notwithstanding anything to the contrary contained herein, the CFO (or the CFO's designee) may determine in the best interest of the District to direct that the proceeds of any series of the Notes and/or the moneys deposited in the Repayment Account be invested in one or more investment agreements and/or guaranteed investment contracts, provided, however, that the long-term ratings of the provider of such agreement or contract shall be at least AA- by S&P and Aa3 by Moody's. In such event, the proceeds of the Notes as well as the Repayment Account will be held by the Fiscal Agent. No such guaranteed investment contract or investment agreement shall mature after the maturity date of the Notes or series of Notes, as applicable.

Section 12. Further Actions Authorized. It is hereby covenanted that the District Board and its appropriate officials, have duly taken all proceedings necessary to be taken and will take any additional proceedings necessary to be taken by them in accordance with the law and for carrying out the provisions of this Resolution.

Section 13. Recitals. All the recitals in this Resolution above are true and correct and this District Board so finds, determines and represents.

Section 14. Tax Covenants. The District covenants that it will make no use of the proceeds of the Notes or any other amounts that would cause the Notes to be "arbitrage bonds" under Section 148 of the Code; and, to that end so long as any of the Notes are outstanding, the District and all of its officers having custody or control of such proceeds agree to comply with all requirements of said Section 148 and the Treasury Regulations promulgated thereunder, including restrictions on the use and investment of proceeds of the Notes and certain other amounts and the rebate of a portion of the investment earnings on certain amounts, including proceeds of the Notes, if required, to the federal government. The District further covenants to do and perform all acts and things within its power and authority necessary to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code. In furtherance of the covenants contained in this Section 13, the District agrees to comply with the Tax Certificate to be executed by the District on the date of issuance and delivery of the Notes (the "Tax Certificate"). The District covenants that it will take no action that would cause the interest on the Notes to be included in gross income for federal income tax purposes, nor will it refrain from taking action required to maintain the exclusion of interest on the Notes from gross income for federal income tax purposes.

Section 15. Transmittal of Resolution. The Executive Officer of this Board is hereby directed to send an original certified copy of this Resolution to the County Board, the Treasurer and the County Superintendent of Schools.
